Dear Parent/Carer,

St Mary's CE (VC) Primary School Plan for Remote Learning

In the event that your child needs to self-isolate due to government guidance, we will be striving to provide them with regular access to the curriculum, in order to continue their education in the best way we can. This document provides details of what your child will be expected to complete at home for the duration of their self-isolation period.

Click on the logos to follow the links to the websites you need.

Maths

The White Rose Maths scheme is followed across school and White Rose Maths are publishing home learning videos and resources that link to the same sequence of lessons being used in school. Your child's class teacher will send the relevant sheets out via Parent Mail at the start of the isolation period.

English

A daily English lesson can be accessed through the Oak National Academy. English Units have been carefully planned in line with the National Curriculum to offer high quality writing provision in the event of self-isolation or school closure. Access the English lessons online by following

the link below.

Daily Reading

Please access the ebooks on the Oxford Owl website. No login is required for this resource. We encourage your child to continue to read for at least 30 minutes everyday.

Additional Learning

We have provided all children with an account for the following educational websites. You can find your Childs login details in the front of their reading diary. Click on the Logos to follow the links to the websites.

Thank you.

Yours sincerely,

Mr. P. Booth

Headteacher
