

# Governor Roles and Responsibilities

## Mission statement of school:

At St Mary's CE (VC) Primary School we encourage respect for the spiritual and moral beliefs of the Christian tradition. We work within the Christian framework to support all children to find fulfilment and to flourish as individuals. We value every child for their own uniqueness.

We are passionate about providing a relevant, fun and effective curriculum, both indoors and outdoors, that provides the best possible education and opportunities for all our children.

At St Mary's we endeavour to ensure our children are 'Learning to Live Life in all its Fullness' (John 10: 10). We are committed to demonstrate our values of Respect, Humility, Trust, Peace, Courage, Compassion, Friendship, Forgiveness and Honesty in all that we do.
